Taxation and Customs Union

EORI validation open interface is now available-[here](#).

Important note: Following the UK withdrawal from the EU, from the 1st of January 2021, the EORI numbers, and AEO authorisations, of UK (starting with the "GB" code) are not consultable anymore on the European Commission EOS online database.

Only the EORI/AEO numbers of Northern Ireland (starting with the "XI" code), as foreseen by the Northern Ireland Protocol, are available for query.

REX number validation

Retrieve REX number validation

You can launch a validation request by entering the REX or EORI/TIN number and clicking the corresponding "Validate" button.

Validate
